WORKSHOP AGENDA

Planning for your Population 2018 – 2020: Respiratory

08:30 – 09:00	Registration and coffee
09:00 – 09:20	Welcome, introduction to speakers and format, setting the scene (PCRS-UK) <ul style="list-style-type: none">• Patient videos
09:20 – 10:20	Session 1: What will success in respiratory care look like in 2020? <ul style="list-style-type: none">• Current landscape, national directives and how respiratory care addresses these (15 mins)• How will the new models (or delivery) of care work for populations with respiratory risk, symptoms and illness? (15 mins)• Respiratory outcomes and their process measures (15 mins)• Discussion and debate (facilitated, case study-led) (15 mins)
10:20 – 11:35	Session 2: Tough decisions – prioritising limited resources to your population <ul style="list-style-type: none">• The relative value of ‘proven’ interventions for COPD (value pyramid) (15 min)<ul style="list-style-type: none">– Group reflection (5 mins)• Rethinking asthma management: Achieve efficiency by responding to patient need and risk (15 min)<ul style="list-style-type: none">– Group reflection (5 mins)• Starting with symptoms – Breathlessness, cough and wheeze pathways delivering better diagnosis and treatment of asthma (15 mins)<ul style="list-style-type: none">– Group reflection (5 mins)• Discussion and debate (facilitated, case study-led) (15 mins)
11:35 – 11:50	Coffee
11:50 – 13:05	Session 2: Tough decisions (continued) <ul style="list-style-type: none">• A tiered approach to tobacco-dependent populations (15 min)<ul style="list-style-type: none">– Group reflection (5 mins)• Responsible respiratory prescribing approach for QIPP (15 min)<ul style="list-style-type: none">– Group reflection (5 mins)• The case for prescribing physical activity (15 min)<ul style="list-style-type: none">– Group reflection (5 mins)• Discussion and debate (facilitated, case study-led) (15 mins)
13:05 – 14:05	Lunch
14:05 – 14:10	Welcome back <ul style="list-style-type: none">• Patient videos
14:10 – 15:10	Session 3: Quality and safety imperatives for respiratory populations <ul style="list-style-type: none">• Patient experience and what to measure (15 min)• Harmful medicines: Inhaled steroid safety cards (15 min)• Building a workforce that communicates in the right way (15 min)• Discussion and debate (facilitated, case study-led) (15 mins)
15:10 – 15:30	Inspirational change: virtual interview with keynote speaker
15:30 – 15:40	Feedback and Close

The Respiratory Commissioning Platform is funded by Pfizer (on behalf of the Novartis-Pfizer Alliance) and Napp Pharmaceuticals. All educational content for the website and roadshows has been initiated and produced by PCRS-UK/Cogora. Napp pharmaceuticals and Pfizer (on behalf of the Novartis-Pfizer Alliance) involvement has been limited to the provision of funding only with no involvement in the development of the programme content. The Primary Care Respiratory Academy has been developed and is produced by Cogora, the publisher of *NHS Leader* and *Pulse* working in conjunction with PCRS-UK.
